### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-  
cation, and do hereby grant the same, subject to the following lim-  
itations and conditions:

This permit is issued subject to all prior rights on the stream  
system of which this source is tributary and is issued for water for  
10 acres of land only within the subdivisions herein described. The  
State reserves the right to regulate the use of the water herein  
granted at all times. A standard headgate and weir must be installed  
at or near the point of diversion to facilitate the control of water.  
The amount of water to be appropriated shall be limited to the  
amount which can be applied to beneficial use, and not to exceed  
One tenth cubic feet per second. (0.1)

Actual construction work shall begin on or before December 29, 1915.

Proof of commencement of work shall be filed before January 29, 1916.

Work must be prosecuted with reasonable diligence and be completed  
on or before September 29, 1916.

Application of water to beneficial use shall be made on or before  
March 29, 1917. Proof of the application of water to beneficial  
use must be filed with State Engineer on or before April 29, 1917.

Withdrawn by applicant JAN 10 1916 WITNESS MY HAND AND SEAL this 29th day

of September, 1915.

State Engineer
